This Certificate is Issued to:
GA Telesis Engine Services Oy

Whose Primary address is:
Turbiinikuja 6, 01530 Vantaa,
Finland

This certificate unless
cancelled, suspended,
or revoked shall
continue in effect
until:

30 NOV 2025

Upon finding that its organization complies in all respects with the requirements of the General Authority of Civil Aviation Regulations relating to the establishment of an Air Agency, and is empowered to operate an approved Repair Station under **GACAR Part 145** with the following rating:

- Limited Engines
- Limited Accessories
- Limited Specialized Services
- Limited Nondestructive Inspection, Testing and Processing

Subject to the conditions, and limitations specified in the Operations Specifications.
This certificate is not transferable and any changes in the basic facilities, or in the location thereof, must be immediately reported to the appropriate office of the General Authority of Civil Aviation.

(Note: All foreign-based aircraft repair stations or aircraft maintenance organizations with Part-145 approval from GACA must hold a valid repair station certificate issued by the FAA, USA or by the local National Aviation Authority (NAA) of the ICAO contracting state where the repair station is located. The validity of the GACA approval, in addition to the expiration date given on the certificate, is contingent on the ongoing validity of the NAA or FAA approval. In case the FAA or NAA approval expires, is canceled, or withdrawn, the GACA approval will also be considered terminated, effective from the same date the FAA or NAA approval becomes invalid.)
